SUBJECT: **TERMINATION OF WORK ORDER SOLICITATION NUMBER (WOS):
OAPPCDC001**

On December 28, 2010, the Department notified your Board that it was exercising its delegated authority to execute a master agreement work order with the recommended vendor for the provision of specialized temporary personnel to fulfill HIV-related grant requirements to deliver expanded and targeted testing of at-risk populations and to collect, process, and verify data necessary to fulfill federal grant requirements.

This is to inform you that pursuant to Paragraph 8.0, DPH Option to Reject Bids, of the WOSOAPPCDC001, DPH is rejecting all bids submitted in response to the work order solicitation due to an error in the methodology to be used to calculate staffing costs.

DPH anticipates releasing a subsequent work order solicitation within the next two weeks.

If you have any questions or require additional information, please let me know.
